BY-LAW No. 94.

A By-Law relating to the Establishment of a Sugar Refinery in the City of Vancouver.

WHEREAS, it is deemed by the Corporation of the City of Vancouver to be conducive to the welfare of the said city to encourage the establishment of a sugar refinery industry in the said city:

And whereas, in furtherance of the object of establishing a sugar refinery as aforesaid, it is desirable that the City of Vancouver should enter into an agreement with any individual, individuals, or body corporate, who will establish and carry on sugar refinery works in the City of Vancouver, such agreements to contain the following covenants, *inter alia*:

1. That the said City of Vancouver shall provide for the said individual, individuals, or body corporate, a piece or parcel of land as a site whereon he or they shall erect a sugar refinery, and works in connection therewith, and shall improve the said lands by levelling, grading, connecting the same with the Canadian Pacific Railway Company's track, and otherwise placing the land in a proper state for the erection of the said works; the total costs of the said land and improvements not to exceed in the whole the sum of thirty thousand dollars (\$30,000).

2. That no conveyance in fee simple of the said piece of land so provided as aforesaid, shall be made by the city to the individual, individuals, or body corporate, until such time as the said individual, individuals, or body corporate shall have erected sugar refinery works and machinery in connection therewith, consisting of a substantial sugar refinery building of brick, together with all modern appliances and machinery capable of turning out one hundred (100) barrels per day of refined sugar, at the least.

3. That the said individual, individuals, or body corporate shall, within twelve (12) months from the passing of this by-law, completely erect and build and operate works for the said purpose of a sugar refinery on the said piece of land as above described.

4. That any body corporate entering into an agreement as aforesaid shall be duly registered under the "Joint Stock Companies Act" of British Columbia.

5. That the individual, individuals, or body corporate shall have no claim of whatsoever nature against the said City of Vancouver, under or by virtue of the said agreement, until such time as they have erected the said works of the description aforesaid, and are operating the same. And, as a guarantee of good faith, and of the faithful performance by them of their covenants in the said agreement to erect the said works, and work the same in the time limited in that behalf, the said individual, individuals, or body corporate shall deposit the sum of ten thousand dollars (\$10,000) in the Bank of British Columbia, in the City of Vancouver, to be forfeited to the City of Vancouver by the said individual, individuals, or body corporate in case of failure by the said individual, individuals, or body corporate in carrying out of the said works, as and by way of liquidated damages.

6. That the said individual, individuals, or body corporate shall be and they are hereby exempted from taxation, rates, levies, and assessments of every kind and nature in respect to the said land or works for the term of fifteen (15) years, or for such time during the said term as the said works are operated by him or them.

7. That in the event of the City of Vancouver acquiring, by purchase or otherwise, water works for the City of Vancouver, then the said individual, individuals, or body corporate shall have the right to use such water as they may reasonably require, and be exempt from all water rates therefor for a period of ten (10) years from the date of this by-law, and for the succeeding period of ten (10) years shall pay to the said city for all water used by him or them, as a water rate due, the sum not exceeding ten cents for every one thousand (1,000) gallons for all water so used by them.

Whereas it is necessary for the purpose aforesaid, and to attain the above object, that the said City of Vancouver should raise, by way of debenture, a loan of thirty thousand dollars (\$30,000), repayable on the twentieth day of March, A.D. 1930, with interest in the meantime, payable half-yearly, at the rate of five per centum per annum, on the twentieth day of September and on the twentieth day of March in each and every year, such loan when raised to be applied for the purposes aforesaid:

And whereas the amount of the whole rateable property of the City of Vancouver, according to the last revised Assessment Roll, is \$6,255,857:

And whereas the total amount to be raised annually for the paying off of the said debentures and interest is \$1,815.60:

And whereas the total amount of existing debenture debts of the city is \$505,500, of which none of the principal or interest is in arrears:

Be it enacted by the Council of the Corporation of the City of Vancouver as follows:

1. For the purposes aforesaid it shall be lawful for the Mayor of the City of Vancouver to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of debentures hereinafter mentioned, the sum of thirty thousand dollars (\$30,000), and cause the same to be paid into the hands of the Treasurer of the said city, for the purposes and for the objects hereinbefore mentioned.

2. It shall be lawful for the Mayor to cause any number of debentures to be made, each for such sum of money not less than one hundred dollars (\$100), or an equivalent expressed in pounds sterling of the United Kingdom of Great Britain and Ireland, at a value of \$4.866 to the pound sterling, as may be required; and all such debentures shall be sealed with the seal of the Corporation of the City of Vancouver, signed by the Mayor, and countersigned by the Treasurer of the said city.

3. The said debentures shall be made payable in forty years from the day hereinafter mentioned for this by-law to take effect, at such bank in the City of Vancouver, or at such bank in the City of London, England, as the Council by resolution may direct.

4. The said debentures shall have coupons attached for the payment of interest at the rate of five per centum per annum on the amount of such debentures.

5. A special rate shall be levied and raised in each year on all the rateable property of the City, sufficient to pay interest and create a sinking fund for the payment of the debt hereby created, as and when the same shall become due.

6. It shall be lawful for the Corporation, from time to time, to repurchase any of the said debentures at such price or prices as shall be mutually agreed upon, and all debentures so repurchased shall be forthwith cancelled, and no re-issue of any debenture or debentures shall be made in consequence of such repurchase.

WHEREAS it is expedient to raise a sum of \$12,500 for the purpose of improving, enlarging and beautifying Ross Bay Cemetery;

And whereas, for the purpose aforesaid, it is intended to raise, by way of loan upon the credit of the said City, the sum of \$12,500;

And whereas it will require the sum of \$887.75 to be raised annually by special rate for the payment of said debt and interest as hereinafter mentioned;

And whereas, as the amount of the whole rateable property of the said Corporation of the City of Victoria, according to the last revised assessment roll, being for the year 1889, was \$8,948,903, irrespective of any future increase of the rateable property of the Municipality, and of any income in the nature of tolls, interest or dividends from the work, and also irrespective of any income from the temporary investments of the sinking fund, or any part thereof;

And whereas, for paying the interest and creating an equal yearly sinking fund for paying the said principal sum of \$12,500, and interest as hereinafter mentioned, it will require an equal annual special rate of

one one-hundredth of one per cent. on the dollar;

And whereas it is intended to reduce the general rate so that the said special rate shall not increase the total rate of taxation;

Therefore, be it enacted by the Mayor and Corporation of the City of Victoria:—

That it shall be lawful for the Mayor of the said City to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of the debentures hereinafter mentioned, a sum of money not exceeding in the whole the sum of \$12,500, and cause the same to be paid to the Treasurer of the said Corporation for the purposes and objects hereinbefore recited.

2. That it shall be lawful for the said Mayor to issue any number of debentures, to be made for such sums of money as may be required for not less than \$1,000 each, and that the said debentures shall be sealed with the seal of the said Corporation of the City of Victoria, and be signed by the Mayor.

3. That the said debentures shall be made payable in 30 years from the date hereinafter mentioned by this by-law to take effect, at the office of the Treasurer of the Corporation of the said City of Victoria, and shall have attached to them coupons for the payment of the interest.

4. That the said debentures shall bear interest at and after the rate of five per cent. per annum from the date thereof, which interest shall be payable yearly at the office of the Treasurer of the said Corporation.

5. That for the purpose of forming a sinking fund for the payment of the said debentures, and the interest at the rate aforesaid to become due thereon, an equal special rate of 1/100 (one one-hundredth) of one per cent. on the dollar shall, in addition to all other rates, be raised, levied and collected in each year upon all rateable property in the said Municipality during the continuance of the said debentures, or any of them.

6. That it shall be lawful for the said Municipal Council, from time to time, to purchase any of the said debentures, and such debentures shall be so expressed as to entitle the said Council to redeem and purchase same on paying the amount thereof, and interest due thereon to the date of such purchase, to the holder or holders thereof, and all debentures so repurchased shall be forthwith cancelled and destroyed, and no re-issue of debentures shall be made in consequence of such repurchase.

7. This by-law shall, before the final passing thereof, receive the assent of the electors of the said Corporation in the manner provided by the "Municipal Act, 1889," and shall take effect on the 18th day of March, A.D. 1890.

And whereas, for the purpose aforesaid it is intended to raise by way of loan, upon the credit of the said City, the sum of \$35,000;

And whereas it will require the sum of \$2,485.67 to be raised annually by special rate for the payment of said debt, and the interest as hereinafter mentioned;

And whereas, as the amount of the whole rateable property of the said Corporation of the City of Victoria, according to the last revised assessment roll, being for the year 1889, was \$8,948,903, irrespective of any future increase of the rateable property of the Municipality, and of any income in the nature of tolls, interest or dividends from the work, and also irrespective of any income from the temporary investments of the sinking fund, or any part thereof;

And whereas for paying the interest and creating an equal yearly sinking fund for paying the said principal sum of \$35,000, and interest as hereinafter mentioned, it will require an equal annual special rate of 1-36th of one per cent. on the dollar;

3. That the said debentures shall be made payable in 30 years from the day hereinafter mentioned for this by-law to take effect, at the office of the Treasurer of the said City of Victoria, and shall have attached to them coupons for the payment of the interest.

4. That the said debentures shall bear interest at and after the rate of five per cent. per annum from the date thereof, which interest shall be payable yearly at the office of the Treasurer of the said Corporation.

5. That for the purpose of forming a sinking fund for the payment of the said debentures, and the interest at the rate aforesaid to become due thereon, an equal special rate of 1-36th of one per cent. on the dollar shall, in addition to all other rates, be raised, levied and collected in each year upon all rateable property in the said Municipality during the continuance of the said debentures, or any of them.

6. That it shall be lawful for the said Municipal Council from time to time to purchase any of the said debentures, and such debentures shall be so expressed as to entitle the said Council to redeem and purchase same on paying the amount thereof, and interest due thereon to the date of such purchase, to the holder or holders thereof, and all debentures so repurchased shall be forthwith destroyed, and no re-issue of debentures shall be made in consequence of such repurchase.

7. This by-law shall, before the final passing thereof, receive the assent of the electors of the said Corporation in the manner provided by the "Municipal Act, 1889," and shall take effect on the 18th day of March, 1890.

This by-law may be cited as the "City Hall Addition By-Law, 1890."

Passed the Municipal Council this 19th day of February, A.D. 1890.
